

# 12V 100Ah

Reliable Sodium-Ion Battery for Marine and Recreational Applications.

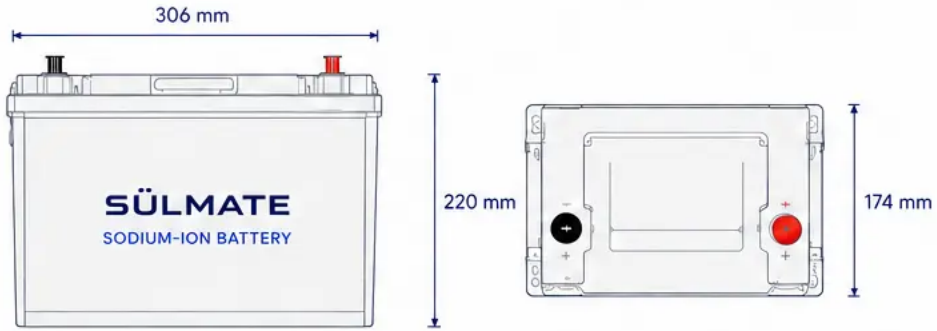

- 100Ah Capacity
- Intelligent BMS
- LCD Display
- USB-C Ports
- >3,000 Cycles*
- Designed for Marine & Recreational Applications
- 800A CCA (Cold Cranking)
- NMEA2000 Compatible

CONTACT US

- European Support
- Fast Delivery
- 2-Year Warranty

## PHYSICAL DIMENSIONS

| | |
|---|---|
| LENGTH | 306 mm |
| WIDTH | 174 mm |
| HEIGHT | 220 mm |
| WEIGHT | 16 kg |

Dimensions are ±2 mm tolerance. Weight tolerance ±3%.

## MARINE INSTALLATION DATA

- AGM Replacement Ready
- Dimensions verified
- Weight optimized
- Vibration Resistant

*Cycle life depends on usage profile, depth of discharge and operating conditions.
